Annual Survey of 16 Million Monthly Users Reveals Top-Rated Design Professionals

February 4, 2014 – Jordan Rosenberg Architects & Associates has been awarded “Best Of Houzz”, the leading platform for home remodeling and design. Jordan Rosenberg’s custom home Architectural design firm was chosen as the top rated design professional by the more than 16 million monthly users that comprise the Houzz community.

The Best Of Houzz award is given in two categories: Customer Satisfaction and Design. Customer Satisfaction honors are determined by a variety of factors, including the number and quality of client reviews a professional received in 2013. Design award winners’ work was the most popular among the more than 16 million monthly users on Houzz, known as “Houzzers,” who saved more than 230 million professional images of home interiors and exteriors to their personal ideabooks via the Houzz.com website.
